

# What is TEL?

The Tennessee Electronic Library (TEL) is a free, virtual library that you can use anywhere in Tennessee!

## You can...

### homework help

Find encyclopedia and journal articles on all kinds of topics to help with school projects

### test prep

Prepare for academic and professional exams including ACT, SAT, AP, EMT, and Civil Service

### career tools

Explore new careers, build a resume, and improve workplace skills

### genealogy

Locate census and vital records to research family history

Reliable information without subscription fees! We work with reputable content providers to give you access to powerful online resources. Access to over 400,000 electronic resources including magazines, scholarly journals, podcasts, videos, eBooks, test preparation materials, federal census records, Tennessee primary source materials, and more can all be found on TEL.

TEL also has a website for Tennessee's youngest learners! TEL4U.org is a pre-K through Grade 5 website that provides a safe place for kids to go online for educational and fun websites. Visit [www.tel4u.org](http://www.tel4u.org) for homework help, eBooks, games & activities, and more!
